

# How to Get a Digital Version of the Ti-83

Step 1: Go to: <https://sites.google.com/site/ti83interactivecalculator/Home>

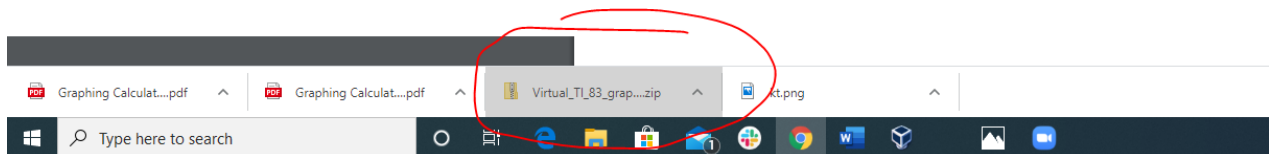

Step 2: Click on "Calculator" on the left side

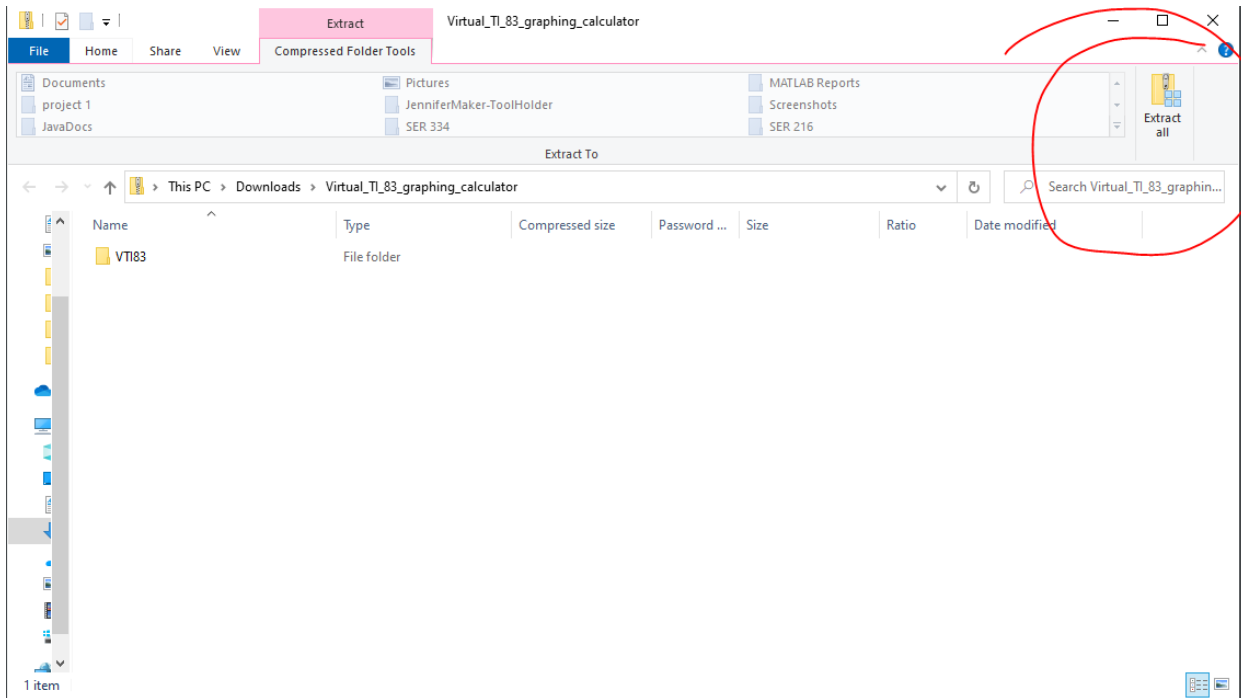

Step 3: Click Download  
Calculator

Step 4: Open the .zip folder that was just downloaded

## Step 5: Click “Extract All”

**Step 6: When you finish extracting the files, it will open a new folder identical to the one you were just in (now it is not compressed). Open the VTI83 folder**

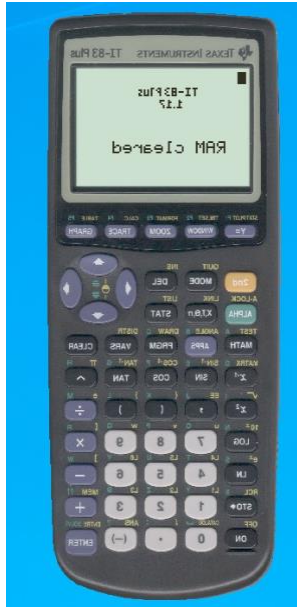

Name	Type	Compressed size	Password ...	Size	Ratio	Date modified
VTI83	File folder					

## Step 7: Click on the VTI83 with the type: Application

A screenshot of a Windows File Explorer window showing the contents of the 'VTI83' folder. The address bar shows the path: 'This PC > Downloads > Virtual\_TI\_83\_graphing\_calculator > VTI83'. The main pane shows a table of files. The file 'vti83' is circled in red. The table has columns for Name, Date modified, Type, and Size.
